EDLC
EDUCATION DEVELOPMENT LEISURE CLUB

We can't believe it is 10 years since we revived Milngavie Week! And held nine 'weeks' – missing a year because of Covid.

While this community event is the highlight of the year, we have been doing other things. The CE Centre pond, with its carved feature bench, renaturalised edge, fantastic swan island and new planting always gets compliments from passersby. The orchard in Lennox Park thrives, and has recently 'grown' some raised beds for herbs and flowers, and the surrounding park is benefitting from the work we have done in collaboration with other local organisations and East Dunbartonshire Council to upgrade paths, improve planting, refresh seating and (soon) have some interpretive signage.

We are planning a Repair Café in the near future, and holding another Fair of Clubs in the autumn – so we aren't putting our feet up!

We'd love to welcome new faces to join us in any capacity. If you've got enthusiasm, ideas, or simply a desire to help shape Milngavie's future, you'll fit right in as we bring our updated Community Action Plan to life.

Get in touch at info@milngaviedt.co.uk – and here's to the next ten years.
